

Living the Questions – Part 11

Living the Questions is a DVD-based small group study aimed at helping people explore beyond the conventional theologies of traditional Christianity. During the fall session, the members of this group met to discuss the five topics on the first DVD in the study. We plan to reconvene in January to explore the following six topics which are included on the second DVD:

- a kingdom without walls
- lives of Jesus
- compassion: the heart of Jesus' ministry
- a passion for Christ: Paul the apostle
- out into the world: challenges facing Progressive Christianity
- the contribution of Wesleyan theology

We would appreciate having more members in this group in order to generate more dialogue and to have more diverse perspectives in our discussions. Please see the back of this sheet for meeting details. We are open to changes in meeting times and dates in order to accommodate conflicts in members' schedules.
